

MOST POPULAR MODELS

Pick a popular model from here or start with one of these and swap components to get the ideal system for your needs. See the LENTRY System Price List for all possible, practical units.

“H” 360-degrees of long-term light and maximum height versatility. Includes EU2000i generator, LENTRY Frame, triple light base, and three FRC LED polelights, one of each height (standard height, XT, Hi-Lite). **MSRP \$8,212**

“A” Very compact and most affordable complete LENTRY System. Includes EU1000i generator, LENTRY Frame, single light base, and 650W ABC standard height polelight. **MSRP \$2,226**
Upgrade to XT for \$40

“B” Least expensive LED LENTRY System. Includes EU1000i generator, LENTRY Frame, single light base, and ABC LED standard height polelight. **MSRP \$3,179**
Upgrade to XT height for just \$40.

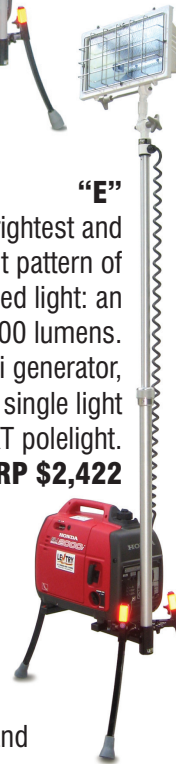

“C” Popular model for traffic safety, with the height, light and long run times to keep flaggers safe. Includes EU2000i generator, LENTRY Frame, single light base, and 650W FRC XT polelight. **MSRP \$2,557**

“D” 2-Headed light offers the functionality of 2 lights but only one polelight to transport and store. 50,000 lumens with both light heads on. Heads have separate on/off switches but share an outlet. Includes EU2000i generator, LENTRY Frame, single light base, and ABC 2-Headed XT polelight (not shown at full height). **MSRP \$3,299**

“E” The brightest and the widest light pattern of any single-headed light: an impressive 35,000 lumens. Includes EU2000i generator, LENTRY Frame, single light base, and 1500W XT polelight. **MSRP \$2,422**

“F” Dual FRC LEDs deliver 40,000 lumens, leave power to spare, and can be aimed to illuminate a huge area. As shown, includes EU2000i generator, LENTRY Frame, dual light base, and two FRC LED polelights, both XT (one is not fully extended). **MSRP \$5,973**

“G” Maximum power and 50,000 lumens from hi-IR halogens with height and aiming versatility. Includes EU2000i generator, LENTRY Frame, dual light base, and two 650W FRC polelights, one standard height and one XT. **MSRP \$3,605**
