### Most Ergonomic Design!

**Ergonomic Knee**  
“Pre-bent”; Extra room for movement without “bulk”.

**Ergonomic Shoulder & Sleeve**  
UltraMotion® is Spierian Fire's most comfortable design.

**Zippered Inspection Ports**  
Pant & Coat. Make it easier to meet the inspection requirements of NFPA 1851.

**Full-Bellow Sidewinder Pockets w/ Hand Warmers**  
Fits below the SCBA waist strap and lots of room for storage. Includes a hand warmer pocket w/ soft Nomex® fleece lining...now with cover flap.

**In Collar DRD**  
Easier access to Drag Rescue Device when SCBA is worn, compared to design with DRD in upper back.

DRD has been upgraded to the new “soft” DRD to aid in comfort.

**Pant Features:**  
- Includes black reinforcements, waist belt, quick release / quick adjust suspenders, gel shoulder padding, knee padding, reverse boot cut, large full bellow pockets.
